

The Sullivan's Down Under!

G'day from Australia!

We hope and pray that the Lord is blessing you in your part of the world!

There has been a lot going on in our ministries in Australia this year. Firstly, our church is going well with a good, solid and loving group of people to take the Gospel to our community. We did have six saved early on and all were baptised but one and some of those who came to Jesus are engaged in an intensive study of the life of Jesus in the Gospel of John.

Secondly, there have been some exciting changes in our seniors, ministry. Previous to this year we only had access to Garden Village where we provided a pastoral care ministry and chaplaincy. Now, the Lord has expanded that ministry to another aged care home as well where we provide pastoral care. Bundaleer is in the same community as our church, which is a win for our own seniors.

There are a few requests that I want to leave with you.

First, we are organizing an outreach to the broken and reject of our community, pray that God gives us wisdom in the process. Secondly, remember a senior Australian by the name of George that I had a significant spiritual conversation with recently. Pray that God uses the seed plant for His glory. Lastly, it looks like Australia is moving into another drought situation; pray that this one is not as bad as the last one we had a couple years ago. That one was a record drought that led to devastating bush fires.

Thank you for your prayer and support of Julie and I while we reach out to Australians.

Looking Up Down Under,

Tony Sullivan
