

MISSIONS HOUSE

This is a two-unit building with a large, 4 bedroom house in the front and a smaller one-bedroom apartment in the back. Both units have a full kitchen and access to washers and dryers in the garage. The units share a patio area.

Our Calvary Mission House provides housing for visiting missionaries, pastors, and ministry teams from churches and ministries all over the world. We are honored to provide this housing free of charge to help with the cost of travel expenses and the stress of finding accommodations
