Dear Brother Goodban:

Please forgive my tardiness in sending out this newsletter. It has certainly been a busy couple of months.

As we mentioned in our last letter, our granddaughter, Ella Clare, was born on March 18th with heart issues which have, so far, required two surgeries. I must confess that we would naturally have loved to stay longer but ministry obligations called, and we left the US on April 29th, arriving in Singapore on May 1st. However, thank you for praying – Ella is doing great and will soon be discharged from the hospital.

Several weeks after our return, we had our Youth Camp with 26 campers. The theme for the camp was “Christ In Me” and the Lord blessed in a wonderful way. We saw many making decisions to live for the Lord; and two received Christ as their Saviour.

Please pray for a lady who lives in our building named Monica. Several times we have talked with her about the Lord, but she is a “good person” who feels she has no need of salvation. A couple of days ago, Monica told us that she has stage four cancer. Do pray that we will have opportunities to deal with her again – that her heart will be softened – and that she will put her faith in Christ as her Saviour.

Thank you so much for your investment of prayers in our ministry during the months of April and May. Our sincere prayer is that your investment will result in spiritual fruit that will glorify our Heavenly Father.

We shall remain ...

Yours for souls,

Ray & Ginger
